Dear UN Global Compact Office,

On behalf of our leadership team, I am writing to indicate The Kraft Heinz Company's endorsement of the CEO Water Mandate and commit to adopting and implementing a comprehensive approach to water management that incorporates, over time, all six elements of the CEO Water Mandate.

We understand that as part of this commitment, The Kraft Heinz Company will develop annually a "Communication on Progress-Water" OR water-specific component of our broader UN Global Compact "Communication on Progress", per the Transparency Policy of the CEO Water Mandate, to be posted on the CEO Water Mandate website.

Our company agrees to become a signatory of the UN Global Compact in the next six months.

Sincerely yours,
